

DO YOU HAVE A CHILD INTERESTED IN PLAYING SUMMER BASEBALL OR SOFTBALL?

Help us make sure we have enough teams for this season by taking a moment to tell us what you intend to register for.

Remember Summer Ball is not included in One Time Sign Up

Please check all that apply

- Coach Pitch Baseball – Grades 1st-3rd generally played Wednesday and Friday evenings (this team travels to Sylvan, Lucas, Natoma, and Wilson when not playing at home)

Lincoln Rec News

Baseball/Softball: It is always our goal to better our programs, and to make sure we are giving players the best opportunities we can to learn each sport. In years past we have had an abundance of interest in summer ball, we feel this is a great problem to have. Our hope is to get an early count on participants so that we can form multiple teams if necessary.

We will be offering a Baseball and Softball clinic this year. Forms will come home next week!

Soccer: Be on the lookout for registration forms in the coming weeks. We will be making changes to the schedule this year! Games will be played during the week in Lincoln, except for the 4th-6th grade tournament taking place on the last Saturday of the season.

Exciting changes are coming to Lincoln Recreation Department!! We will be launching an online registration portal in the coming weeks. This will give families the opportunity to register and pay online for all Rec activities. The new portal also has facility maps, schedules, a master calendar, and many more features that will help streamline our programs.

Upcoming Programs:

Baseball/Softball Clinic – February/March

Soccer – March/April

Adult Volleyball – April

Tiny Tumblers – May

Baseball/Softball – May/June
